Instructions:

1. Enter total true cash value of all exempt computers located in the entire municipality in the box at the top of this form. The value listed here would include the value of exempt computers located in Tax Incremental Financing (TIF) districts and any Special Districts located in the municipality. If no exempt computers exist in the municipality enter **0** in the box or write **NONE** across the form. Return the form to the address listed below even if there are no exempt computers in the municipality.
2. **Value by Districts - Lines 1 through 28**

Column 2: Fill in the true cash value of exempt computers for each School, Union High and Special District in the municipality as reported on form PA-003, Schedule A, Line 4 (from Schedule D-1). **Do not modify by your local level of assessment.** Again, if no exempt computers exist in any or all of the school districts enter **0**.
3. **Line 13:** Total lines 1-12 for column 2. This total should match the total of all exempt computers for the municipality listed in the box at the top of this form. If no exempt computers exist in the municipality enter **0**. Totals are not needed for the Union High or Special Districts.
4. Please explain any significant changes in value from last year for the municipality in the "Comments" section. Explanations may avoid additional phone contact by our office.
5. Please sign and date this report and also list your daytime phone number. Mail this form on or before **May 1** to the District Supervisor of Equalization at the address preprinted below.
